The GCTMC needs a Club Captain

The club really needs a club captain who has the ability to encourage participation and involvement by competitors, organisers or helpers.

You do not need to be the organiser of events or even have great knowledge of motor sport event organisation.

What is needed is a facilitator to help make things happen. If you think that's you please contact a member of the club's Executive.

**Club meetings are held
every third Wednesday
night of the month.
Meet at 6.30pm.
Meals and drinks
available.
Next meeting will be at
The Back Page Sports
Bar & Grill, Market Street,
Cararra on Wednesday
night the 17th May.**

GCTMC KHANACROSS

The next event is on the 14th May.
Tony Taylor is again the Clerk of the Course.

Yes the last Khanacross at Pimpama was rained out. A replacement event has been added on the 4th June; then the 2nd July already calendared. This is provided there are members who put their hand up as organisers and others willing to take the van to and from the track.

Blue Card Overview for GCTMC Inc. Members

www.bluecard.qld.gov.au

CAMS have recently forwarded to the club information about the Blue Card System in Queensland and how this could impact volunteers in Sport and Active Recreation.

If you are a volunteer providing services directed mainly towards children or conducting activities mainly involving children as part of sport and active recreation you WILL require a Blue Card.

Some examples of this include:

- A volunteer coach or coaches' assistant of a junior sporting team, e.g. a coach at the local cricket or soccer club.
- A volunteer trainer, e.g. a trainer preparing nippers for a surf lifesaving competition.
- A chaperone for a junior sports team on an interstate or international trip, e.g. a grandparent acting as a chaperone for a junior hockey team on a trip.
- A volunteer supporting athletes at a junior swimming meet.
- A volunteer member of a board/committee for a community organisation which provides regulated activities for children.

As many of the club's activities involve children but are not singularly aimed at children we believe most of our volunteers will not require a Blue Card. However, that could change in the future and it's important that each of you access your requirement for a Blue Card individually – you can go to <https://www.bluecard.qld.gov.au/> for more information.

Documentation & an Application Form is on the GCTMC Inc. web site.

Somewhere to take the
love of your life ...

Thank you to our club members, event officials, Climatrol Air Conditioning, the Tenterfield Shire Council and the people of Urbenville who assisted with the conduct of the Climatrol Air Conditioning Urbenville Sprint Rally. These events take a lot of work and effort to organise. Thank you in particular to Matt Sosimenko, Katie Ainsworth, and again to Stephen Davies and John Careless. Congratulations to members Jeff and Holly Kilbride on winning the event.

RPP

Thanks to Ryan Preston for some great photos and performing a road block as well.

Our club is the promoter for Round 3 of the MRF Tyres Queensland Rally Championship on Saturday the 12th August 2017 at Imbil. This is the replacement event for IROQ.

The club is seeking a Naming Rights Sponsor as well as associate sponsors (stage and class sponsors). If you are able to assist the club please contact Stephen Davies or John Careless.

The organising group is also seeking assistance with the conduct of the event.

Our club is conducting the Yowie Country Rally in Woodenbong on Sunday the 1st October 2017. The club is seeking expressions of interest from people willing to be the organising committee for this event. Please contact the club's executive.

A number of club members made the trip over to NZ for the 2017 running of the Otago Rally ... and they weren't disappointed. If you ever get the chance to make the trip it is worth the effort.

CROATIA'S GOVERNMENT EXPRESSED STRONG SUPPORT FOR HOSTING A WRC ROUND DURING A VISIT TO ZAGREB BY LEADING CHAMPIONSHIP OFFICIALS.

Prime minister Andrej Plenković, Parliament president Božo Petrov and four-time Olympic ski gold medallist, Janica Kostelić, now Croatia's secretary for sport, gave their backing to the country's application to join the Championship.

Poreč has been outlined as a base for a mixed surface event in the Istria region by the Croatian Car and Karting Federation, which welcomed a delegation from WRC Promoter and the FIA on a fact-finding visit.

Among the party were WRC Promoter managing director Oliver Ciesla, FIA rally director Jarmo Mahonen and WRC Commission president Carlos Barbosa.
