Introducing the GCTMC Inc. 2017 Club Secretary

For those who are unaware, at the 2017 Annual General Meeting, I was elected unopposed to the position of Club Secretary.

Big thanks to all club members, in particular to John Careless and Stephen Davies who have assisted and helped me over the past few months in this role. I am starting to take a grip on things now, especially after the running of a successful sprint rally at Urbenville (see other report in magazine).

For those who don't know me, I am a relatively new member to GCTMC. However, I am no stranger to motorsport in general. My family were involved in the running of the Datsun Drivers Club in Sydney back in the 70's and 80's running events. I was only a kid back then but once I grew up I started to get more active in motorsport.

I competed mostly in rallies as a co-driver in NSW from club-based events right up to International with some state and national classified drivers. Highlights was Rally Australia in 2005 where co-driving for Mark Beard we finished 33rd O/R. Another highlight was winning the NSW Clubman Rally Championship in 2009.

With rallying as my passion, I have been a member of both the NSW and QLD Rally Advisory Panels holding numerous roles including point scorer, secretary as well as social media and website coordinator.

At a grass roots level, I have been involved with a number of car clubs as a committee member as well as running club-events. This included Brindabella Motor Sport Club in Canberra, Hills District Car Club and Nissan Datsun Drivers Club in Sydney. Since moving up here in 2011, I have served as acting club secretary of Brisbane Sporting Car Club and was your club captain and webmaster in the past two years.

I am heavily involved with the Queensland Rugby League as a referee. So, in between motorsport, football, work and family, I am a busy person all around.

Remember our club meetings are held every third Wednesday of every month at The Back Page starting from 6:30pm. Our next event will be Round 3 of the GCTMC Khanacross Series at Pete and Jill's Preston's place at Pimpama on the 4th June. Watch the club's website and Facebook pages for more information.

I look forward to seeing everyone over the course of the year.

Regards
Matt Sosimenko

Climatrol Air Conditioning Urbenville Sprint Rally

Wow, what an experience and something I would strongly encourage all club members to do.

After taking the role of Clerk of the Course at the club meeting in January, we had to get things into order very quickly. From approvals, resident letters, road book and itineraries, the list just goes on. It's great when you have people like John Careless, Stephen Davies, Gary Mitchell and John Keen in your club that can guide you every step of the way.

The Climatrol Air Conditioning Urbenville Sprint Rally was conducted on a lovely cool day on the 22nd April 2017.

Road conditions were awesome, even if after the major rain event almost washed away the road in parts.

Many thanks to the Tenterfield Shire Council and in particular to Jessica Gibbons who ensured that the road was usable for us to compete on even if it was a bit slippery at the start.

From all that competitors have indicated to me on the day and through messages, everyone enjoyed themselves. Results showed that we had 22 cars started and 19 finishers. We had club members win the event. Congratulations Jeff and Holly Kilbride. They were pushed all the way by Keith Fackrell and Tony Best in that immaculate Ford Escort. Keith even made a slight detour through a property on the fifth stage. Third were Jesse Heitnman and Grant Burisch in that RX7. (Thanks Ryan Preston for the photo)

Personally I would like to thank the following people:

- John Careless for the endless hours he put in over the past few months as the Event Secretary. Just wanted to make sure everything was down pat to the usual GCTMC standard.
- Stephen Davies for being my Deputy. His assistance along with Gary Mitchell's knowledge is second to none in any event in that region.
- Katie Ainsworth stepping up and being John's assistant in the secretarial role. Awesome work Katie.
- Pia and Tony being the official scorers. Also big thanks to Pia for resolving all the document template issues we had prior the event.
- All officials who showed up to the event. If it wasn't for you guys the event would not have happened.

Lastly, a big thank you goes to Aaron Brown and Climatrol Air Conditioning for being the naming rights sponsor. Also, to the Urbenville Community, in particular to all residents, the Progress Association, Bowls Club and the Showground Trust that allowed us to come into town and spend some \$\$\$ in their village.

There are some interesting ideas I have for 2018 and the event. So watch this space.

Regards
Matt Sosimenko

The GCTMC needs a Club Captain

The club really needs a club captain who has the ability to encourage participation and involvement by competitors, organisers or helpers.

You do not need to be the organiser of events or even have great knowledge of motor sport event organisation.

What is needed is a facilitator to help make things happen. If you think that's YOU please contact a member of the club's Executive.

Get there however you can

The next club meeting is the third Wednesday night of the month at The Back Page Bar & Grill at Cararra.

Starts 7.00pm sharp but come early for a drink and a great meal at very reasonable prices.

**Next
Khanacross
4th June**

Pimapama

**Organisers
required**

**Please
contact the
Executive to
offer your
assistance**

GCTMC KHANACROSS

Cars & Coffee ... Somewhere to take the love of your life ...

1st Saturday of the month: Turbo Drive, Coorparoo from 7.00am.

1st Sunday of the month: Three Figs Café Village Way just off Currumbin Creek Road from 8.00am

2nd Sunday of the month: The Farm Byron Bay, 11 Ewingsdale Road from 8.30am

3rd Saturday of the month: Mudgeeraba from 8.00am

Our Club's Round of the QRC at Imbil requires sponsors and officials

Our club is the promoter for Round 3 of the MRF Tyres Queensland Rally Championship on Saturday the 12th August 2017 at Imbil. This is the replacement event for IROQ.

The club is seeking a Naming Rights Sponsor as well as associate sponsors (stage and class sponsors). If you are able to assist the club please contact Stephen Davies or John Careless.

The organising group is also seeking assistance with the conduct of the event.

**Our club is conducting the Yowie Country Rally
in Woodenbong on Sunday the
1st October 2017.**

**The club's Executive
is seeking
expressions of
interest from
people willing
to be on the
organising
committee
for this event.**

NEW COMPETITION TO ATTRACT GRASSROOTS RACERS AT RALLY AUSTRALIA

State-level rally competitors will have their chance to shine at the Kennards Hire Rally Australia this November, thanks to the introduction of a new competition called the 'Kennards Hire Cup'.

The Kennards Hire Cup will offer \$5000 in prize money, and will be open to competitors who are not registered in the CAMS Australian Rally Championship or who have not placed on the podium in ARC events preceding this year's Rally Australia. Racers who compete in the new ARC2 support category of the Australian Rally Championship will be eligible.

Clerk of Course for the event, Wayne Kenny, says the Kennards Hire Cup will be open to rally competitors from all over Australia.

"While the FIA World Rally Championship will be the elite category, Kennards Hire Rally Australia offers virtually every rally driver in Australia a chance to run on the same roads on the same weekend as the best in the world," Kenny said.

"Not every race driver can get a start at a grand prix meeting, but the Kennards Hire Cup at Rally Australia will ensure there's a spot in our world championship event for rally drivers from virtually all levels of the sport.

"This is an incentive rarely offered in Australian motor sport that we hope will encourage many competitors to be part of rallying's biggest annual event in Australia."

The event will have a wide range of rally racing, hosting the FIA World Rally Championship and the final round of the ARC as well as hosting rounds of the New South Wales and Queensland Rally Championship.

Entrants in the Kennards Hire Cup will contest over the three-day itinerary of the ARC fifth round.

Entry forms and final details will be published closer to the event.

A promotional graphic for the Kennards Hire Cup. It features a red shield with a white trophy icon and the text 'KENNARDS HIRE CUP'. Below this is a large red banner with the text '\$5000 PRIZE MONEY'. Under the banner, it says 'Open to non-registered ARC competitors, the Kennards Hire Cup gives you a chance to win;'. At the bottom, there is a list of prize money: '1ST - \$3000', '2ND - \$1500', and '3RD - \$500'. The Kennards Hire logo is also present in the bottom left and right corners.

KENNARDS HIRE CUP

\$5000 PRIZE MONEY

Open to non-registered ARC competitors, the Kennards Hire Cup gives you a chance to win;

1ST - \$3000
2ND - \$1500
3RD - \$500

KENNARDS HIRE

WRC OFFICIALS REGISTRATION FOR RALLY AUSTRALIA NOW OPEN

Registrations are now open for volunteer officials to sign up for duty at the 2017 Kennards Hire Rally Australia.

The world championship round on 16-19 November requires 1000 officials, for a wide variety of positions.

Some require no previous experience, while others—such as medical, recovery and scrutineers—need specialised equipment and skills.

Roles in areas such as Stage Closure Marshals (formerly known as Road Closures), Public Safety Marshals

(formerly known as Spectator Management), Service Park and Event Operations need enthusiastic people with a willingness to get up early and head out for the day!

To renew a registration, sign up for the first time or attain further information, visit:

www.rallyaustralia.com.au/officials

Comment by John Careless

To conduct events the GCTMC Inc. requires insurance cover. That cover is provided via a permit to conduct events issued by CAMS. To be able to conduct CAMS events officials must be accredited by CAMS for the role they are performing. Currently we have very few members with the required CAMS qualifications to conduct events.

On the next page is a list of Training Modules that members can attend. The first is Club Chief on the 27th May. At the end of this magazine is an explanation of the various qualification available through CAMS. Many of these modules can be completed online. If GCTMC Inc. is to continue to conduct events then members need to obtain relevant qualifications and actually conduct events. If not, the club, like so many others will by necessity stop conducting events because of a complete lack of qualified personnel in the club.

CAMS Training Modules for 2017

Most modules are also able to be completed on-line

To register for one of these modules please go to:

<https://www.cams.com.au/get-involved/officials/training>

Blue Card Overview for GCTMC Inc. Members

www.bluecard.qld.gov.au

CAMS have recently forwarded to the club information about the Blue Card System in Queensland and how this could impact volunteers in Sport and Active Recreation.

If you are a volunteer providing services directed mainly towards children or conducting activities mainly involving children as part of sport and active recreation you WILL require a Blue Card.

Some examples of this include:

- A volunteer coach or coaches' assistant of a junior sporting team, e.g. a coach at the local cricket or soccer club.
- A volunteer trainer, e.g. a trainer preparing nippers for a surf lifesaving competition.
- A chaperone for a junior sports team on an interstate or international trip, e.g. a grandparent acting as a chaperone for a junior hockey team on a trip.
- A volunteer supporting athletes at a junior swimming meet.
- A volunteer member of a board/committee for a community organisation which provides regulated activities for children.

As many of the club's activities involve children but are not singularly aimed at children we believe most of our volunteers will not require a Blue Card. However, that could change in the future and it's important that each of you access your requirement for a Blue Card individually – you can go to <https://www.bluecard.qld.gov.au/> for more information.

Documentation & an Application Form is on the GCTMC Inc. web site.

**It would be good to hear from our members
who participate on the black stuff**

I've decided to take a break from motor sport and decided to combine my love of photography with bird watching. First day out a bird watching enthusiast mate of mine took me into the bush and I was lucky enough to come across an old Falcon perched in a tree. The bloke I was with says I've still got some evolving to do if I am to really appreciate his hobby... not sure what his problem is.

Like all good motoring magazines we have our scantily clad models pictured with fast cars. No expense spared here at the GCTMC Inc.

RECALL NOTICE: FIRE EXTINGUISHER VALVE CO. LTD (FEV) CYLINDERS

During the internal quality control process of the Plumbed-in Fire Extinguisher Systems certified to FIA Standard 8865-2015, FEV found that several FX G-TEC 3300R extinguishers with homologation number EX.008.16 had been fitted with an extinguisher bottle manufactured with incorrect dimensions.

As a consequence these cylinders NO LONGER comply with all the requirements defined in FIA Standard 8865-2015.

The FIA and FEV therefore decided that for safety reasons, the cylinders shown in the Appendix I CANNOT

be considered as complying with FIA regulations and their homologation is withdrawn with immediate effect.

Please note that all the cylinders with the homologation number EX.008.16 and which are not listed in Appendix I are not affected by this decision.

The owners of the affected cylinders can contact FEV in order to have the cylinders replaced by new ones that comply with FIA Standard 8865-2015.

CAMS Officials Explained

Some CAMS modules are available to complete online via our e-Learning environment. These are marked as "available online" in the list below.

To enroll in an online module, please contact CAMS Customer Service on 1300 883 959.

INTRODUCTORY MODULE (AVAILABLE ONLINE!)

At the completion of this training, participants will have identified the positives of being an accredited motor sport official.

The Competencies for this module are:

1. Perform with professionalism, integrity and ethical conduct in their role as a General official at all levels of motor sport events.
2. Prepare for the requirements of officiating, and review their own officiating performance after a motor sport event.
3. Manage the risks of officiating in motor sport, and abide by the legal responsibilities expected of an official.
4. Use a range of communication strategies to develop effective relationships, minimise conflict, and deal with disputes effectively.

CLUB CHIEF (AVAILABLE ON LINE)

For those officials who seek to officiate and perform the role of Clerk of Course/Event Director, assume a team-leader role (except Chief Scrutineer) or Chief Steward Role at Club/Multi-Club events (excluding race, rally and off road events).

The Competencies for this module are:

1. Perform in an event command and stewarding capacity at a Club and Multi-Club non-discipline specific (not race, rally or road) events level
2. Manage difficult and critical situations through effective communication and interpersonal techniques
3. Apply effective Critical Management Techniques.

BRONZE EVENT ADMINISTRATION (AVAILABLE ONLINE!)

The roles of Event Administration include: Organisation of the Event, Distribution of relevant paperwork, Schedule of the Event, Arranging officials, Monitoring & fine tuning the event. This module is designed to provide officials in either Circuit, Rally, Off-Road or Motorkhana.

The Competencies for this module are:

1. Perform the administrative functions expected of a motor sport administration official.
2. Utilize a range of communication techniques appropriate to dealing with a range of motor sport stakeholders.
3. Identify risks and manage them accordingly

BRONZE EVENT COMMAND (AVAILABLE ONLINE!)

The main roles of the Event Command Official are as follows.

Manage the safety of those involved in the event, including:

General public, Spectators, Officials, Competitors, Service and pit crew, Ensure the integrity of the course, including the security of the course, road closures and ensuring there is no accidental intrusion.

Control the event, including emergencies, Maintain the event time table and program and modify as necessary , Apply CAMS Rules and Event Supp Regulations, Co-ordinate officials at the event, Manage Incidents , Ensure Emergency Plan is implemented when and if needed, Liaise with Civil Authorities, Ensure relevant permissions are obtained, Promote the event , General Public, Prospective Competitors, Officials

In addition to these general roles, are roles which are specific to each discipline.

This module is designed to provide officials in either Circuit, Rally, Off-Road or Motorkhana.

The Competencies for this module are:

1. Perform the event command functions as expected of an event command official in a motor sport team environment.
2. Utilise interpersonal and communication skills relevant to event command officiating roles
3. Identify motor sport risks and manage them accordingly
4. Apply regulations and NCRs relevant to motor sport events
5. Identify the judicial issues impacting on motor sport.

BRONZE FIRE AND RESCUE

Fire and rescue marshals attend to fires within competition vehicles and on the track and are responsible for the extrication of competitors from their vehicles if required.

The Competencies for this module are:

1. Perform the fire & rescue functions as expected of a fire & rescue official in a motor sport team environment.
2. Utilise interpersonal and communication skills within a critical incidents environment
3. Apply fire and rescue procedures at a motor sport event
4. Identify motor sport risks and manage them accordingly.

BRONZE RALLY /OFF-ROAD OFFICIALS (AVAILABLE ONLINE!)

The Rally and Off Road Official training covers:

Roles of the Senior Officials of the event, Roles of the Road Official, Preparing for the Event, Arriving at the Event, Safety and personal conduct, Checklist of Personal Items, Stage/Control Setup, Securing a Stage in preparation for competition, Control Official/Spectator Marshal, Spectator Marshal, Safety, Communication & Judicial System, After the Event.

The Competencies for this module are:

1. Perform the rally/off-road official functions as expected of a rally/off-road official in a motor sport team environment.
2. Utilise interpersonal and communication skills relevant to rally/off-road officiating roles
3. Identify motor sport risks and manage them accordingly
4. Apply regulations and NCRs relevant to Rally/Off-Road motor sport events.

BRONZE SCRUTINEER

Scrutineers are responsible for checking the compliance of vehicles and the eligibility and safety requirements of CAMS National Competition Rules.

The Competencies for this module are:

1. Perform the scrutineering functions expected of a motor sport Scrutineer
2. Identify risks and manage them accordingly
3. Manage difficult and critical situations through effective communication and interpersonal techniques.
4. Apply regulations and NCRs relevant to scrutineering at motor sport events.

BRONZE STEWARD

Stewards adjudicate upon any dispute or protest arising during a meeting and are also responsible for ensuring the competition is conducted safely.

The Competencies of this module are:

1. Perform the stewarding functions as expected of a motor sport steward in a motor sport team environment.
2. Apply judicial procedures at a motor sport event
3. Utilise interpersonal and communication skills appropriate to dealing with a range of motor sport stakeholders
4. Effectively apply CAMS Safety 1st Requirements
5. Manage a critical incident environment in accordance with the stewarding functions as expected of a motor sport steward.

NOTE

You can cut back on the time required to get a CAMS official's licence if you have had years of experience as an official by applying for recognition of prior learning. Many club members fit into this category.
