## The GCTMC needs a Club Captain

The club needs a Club Captain who has the ability to encourage participation and involvement by competitors, organisers or helpers. You do not need to be the organiser of events or even have great knowledge of motor sport event organisation. What is needed is a facilitator to help make things happen. If you think that's YOU please contact a member of the club's Executive.

**CAMS has introduced a new and more simplified method of signing up as a CAMS Official.**

**The new on-line form can be found at:  
<https://www.cams.com.au/get-involved/officials/become-an-official>**

Dear CAMS Event Organisers and Clubs,

CAMS wishes to advise a simplification of the sign-up process for new officials, effective June 26, 2017.

After careful analysis it has been determined that the existing new officials sign-up process is cumbersome, causing many prospective new officials to simply 'give up' before completion. As a result, the Trainee Licence, a significant roadblock to becoming a General Official, has been removed.

By making the process easier without reducing the value of the General Official Licence, we will increase our number of CAMS officials.

The new process is as follows:

1. Candidate fills out [Registration Form](#). At this point, the candidate will be sent the Online Introductory Module by CAMS Staff.
2. Candidate completes Online Introductory Module.
3. Upon successful completion of the module, a General Officials Licence is granted and mailed out.
4. New Official completes their first event under supervision (as per existing practice).

#### IMPORTANT

Clubs will still be able to sign-up new officials on the day of an event, using the new '[On The Day Officials Sign Up Form](#)'.

This form has a tear-off section which acts a provisional General Officials Licence for 30 days. The completed form should then be sent to CAMS, and a full licence mailed out following the successful completion of the Online Introductory Module.

It is important to note that the new 'On The Day Officials Sign Up Form' replaces the Trainee Licence form for this purpose.

CAMS would like to remind event organisers and clubs of their obligations to ensure all officials are appropriately licenced, and from **1 August** it will be compulsory for all Victorian officials to hold a **Working With Children Check**.

Should you have any queries please contact CAMS Member Services on 1300 883 959 or [memberservices@cams.com.au](mailto:memberservices@cams.com.au).

# Blue Card Overview for GCTMC Inc. Members

## [www.bluecard.qld.gov.au](http://www.bluecard.qld.gov.au)

**CAMS have recently forwarded to the club information about the Blue Card System in Queensland and how this could impact volunteers in Sport and Active Recreation.**

**If you are a volunteer providing services directed mainly towards children or conducting activities mainly involving children as part of sport and active recreation you WILL require a Blue Card.**

**Some examples of this include:**

- A volunteer coach or coaches' assistant of a junior sporting team, e.g. a coach at the local cricket or soccer club.
- A volunteer trainer, e.g. a trainer preparing nippers for a surf lifesaving competition.
- A chaperone for a junior sports team on an interstate or international trip, e.g. a grandparent acting as a chaperone for a junior hockey team on a trip.
- A volunteer supporting athletes at a junior swimming meet.
- A volunteer member of a board/committee for a community organisation which provides regulated activities for children.

**As many of the club's activities involve children but are not singularly aimed at children we believe most of our volunteers will not require a Blue Card. However, that could change in the future and it's important that each of you access your requirement for a Blue Card individually – you can go to <https://www.bluecard.qld.gov.au/> for more information.**

**Documentation & an Application Form is on the GCTMC Inc. web site.**

<b>Date</b>	:	14 June 2017	<b>Pages</b>	:	1
<b>Subject</b>	:	Yellow flag / Red flag in Rally			

**Modification of regulation related to Yellow flag / Red flag in Rally**

Dear Sir or Madam,

In order to comply with the standard flag signals used by the FIA, it has been decided to change the colour of the flags used in Rally (from yellow to red).

The following flag signals are used in Circuit Racing and Hill Climb:

- Yellow flag, initiated by the track marshal
  - o An incident has occurred and the track may be obstructed: reduce your speed and be prepared to avoid a hazard. However, the race is not over and a green flag will authorise you to restart the race.
- Red flag
  - o The Clerk of the Course has decided to suspend the race: you must either stop immediately or drive slowly into the pit lane.

In this context, and on the basis of this description, the red flag is the most appropriate flag to use in order to suspend a special stage in a Rally.

Considering that, following the decision of the Clerk of the Course, the Rally special stage will be stopped once the red flag has been displayed, and drivers must reduce their speed and proceed to the finish at a reduced speed, the yellow flag is not appropriate in these circumstances for this type of message, as it might cause confusion.

It has therefore rightly been decided that the red flag be used instead of the yellow flag in order to cancel a special stage, for consistency purposes.

**The Article 5.5.4 of the Appendix H to the ISC has been updated on 14 June 2017 for application as from 1<sup>st</sup> January 2018.**

We remain at your disposal for any further information you may require.

Yours faithfully,

Stuart Robertson

# Get Started Vouchers

Funding to help kids participate

## ROUND 10 OPENING 12<sup>TH</sup> JULY 2017

The program provides eligible children and young people aged 5 up to 17 (inclusive) who can least afford to join a sport or recreation club, with a voucher valued at up to \$150 for membership and/or registration fees. It should be noted that vouchers are issued on a first come, first served basis; therefore there is no guarantee that a child or young/person will obtain a voucher.

Fact sheets for clubs, parents/guardians/carers and referral agents can be viewed <http://www.qld.gov.au/recreation/sports/funding/getinthegame/getstarted/>. The factsheets provide an overview of the eligibility criteria and application process.

We encourage you to make sure all committee members and volunteers are aware the club is registered for *Get Started Vouchers* and who will be managing the redemption of vouchers at your club. Please redeem all Round 10 vouchers no later than **27 November 2017** by logging into your club's QGrants account at <https://qgrants.osr.qld.gov.au/portal>.
